COURSE DESCRIPTION:

This class will cover the latest concealed trap techniques utilized by drug traffickers to transport illicit drugs, money and weapons. The presentation will include the most up to date information on concealed traps built into vehicles, residences, furniture, and commercial locations. The course will also provide instruction on how to detect a concealed trap, how to open concealed traps, and what to do with intelligence gained during the interdiction of a vehicle containing a concealed trap.

INSTRUCTOR:

**Angel Calderon
Special Agent (Ret), Drug Enforcement Administration**
